

From the Makers of Paper and Packaging

## Choose paper and rest easy.

Forests are vital to our well-being. And here in the U.S., paper companies work with private forest landowners to grow and maintain forests at a rate nearly double the volume needed to make the paper, packaging and boxes you rely on every day. So when you choose paper, you're helping to support the growth of our forests. And by recycling, you're making the most of our natural resources.
